

VENETIAN 12X12 6CM

PRODUCT NUMBER # 270

- Riven stone surfaces and chamferless edges create the striking shadowlines and textures of dimensioned flagstone
- Square shape easily forms stacked and runner patterns
- Suitable for light vehicular applications, such as residential driveways and parking stalls, with proper pavement design and installation
- Joints and surfaces are designed to create a natural look, minimize furniture wobble, and meet ADA gap and lippage requirements
- Made of durable concrete that won't decay, distort, or attract pests. Iron oxide pigments won't fade with extended UV exposure. Meets or exceeds applicable requirements of ASTM C936 and C1782

The Venetian series creates dramatic and dynamic interaction with sunlight through its cleft and chamferless surfaces, which evoke the timeless appeal of cut flagstone. Venetian is available in an extensive range of sizes and heights to suit a variety of traffic conditions and base preparations. Many Venetian shapes are suitable for Rumbling, which weathers the stones by breaking and softening edges and corners.
